**Support the Advancement
of Your Profession**

The [FPA Political Action Committee \(FPA PAC\)](#), the only PAC focused on advancing the financial planning profession, provides an important seat at the table, forges relationships with lawmakers and their staffs, and provides an opportunity to share the financial planning story. There is much work to do and every dollar counts. To help us fight for your profession, we ask you to make a contribution to support your FPA PAC. Whether you contribute \$50 or \$5,000, every dollar is appreciated and will support advocacy efforts that move your profession forward.
